Please be careful to follow the rules for PRINTING, CIRCULATING, CERTIFYING, and RETURNING this petition. In order for the campaign to get these signatures double-checked, and filed in Salem, we must have them back -- not just postmarked -- filled or not, but definitely CERTIFIED and dated by the circulating volunteer, by Monday, August 13th, so that we can place them in the hands of the SOS office on the 14th. EARLIER IS BETTER. PLEASE RETURN EACH SHEET AS IT IS COMPLETED. After the 13th, they will still be usable, but with more difficulty. The 28th is the absolute latest for petitions to be submitted in person in Salem.

***** PRINTING the petition:
The last two pages of this document are the Signature Sheet itself, and the Voters' Guide Statement that the campaign needs to place in the Voters' Guide.

The BEST way to print petitions to insure they will be accepted by the Secretary of State's office is to print BOTH pages on the SAME piece of paper, the Signature Sheet on the front and the Voters' Guide statement on the back. Please do that if you can.

If you just can't do that, then print the Signature Sheet and Voters' Guide Statement in pairs, and STAPLE each pair together, with the Signature Sheet in the front and the Voters' Guide Statement behind it. Once stapled, DO NOT SEPARATE, please. This allows the SOS to verify that the Voters' Guide Statement was presented to each person signing the Signature Sheet.

In all cases, print the pages on WHITE office-grade, 8.5" x 11" copy paper.

***** CIRCULATING the petition:
Each petition page must be circulated by a single CIRCULATOR, who must personally witness each person signing the petition (see CERTIFYING, below).

Each person who signs the petition (on lines 1-10) must be qualified as a registered voter residing in CD3 before signing. Ask:
-- Are you registered to vote at your current address in Oregon?
-- Do you live in Congressional district 3 (zoomable map: https://tomharrison4congress.com/CD3Map.htm), or
-- Is Earl Blumenauer your representative in Congress?

If a CIRCULATOR has any doubts or concerns about a signature, please use a paper clip to attach a note about which line is suspicious, and it will be given special attention. If you are sure that a line is not valid, simply draw a single line through that entire line space on the petition form, and continue.
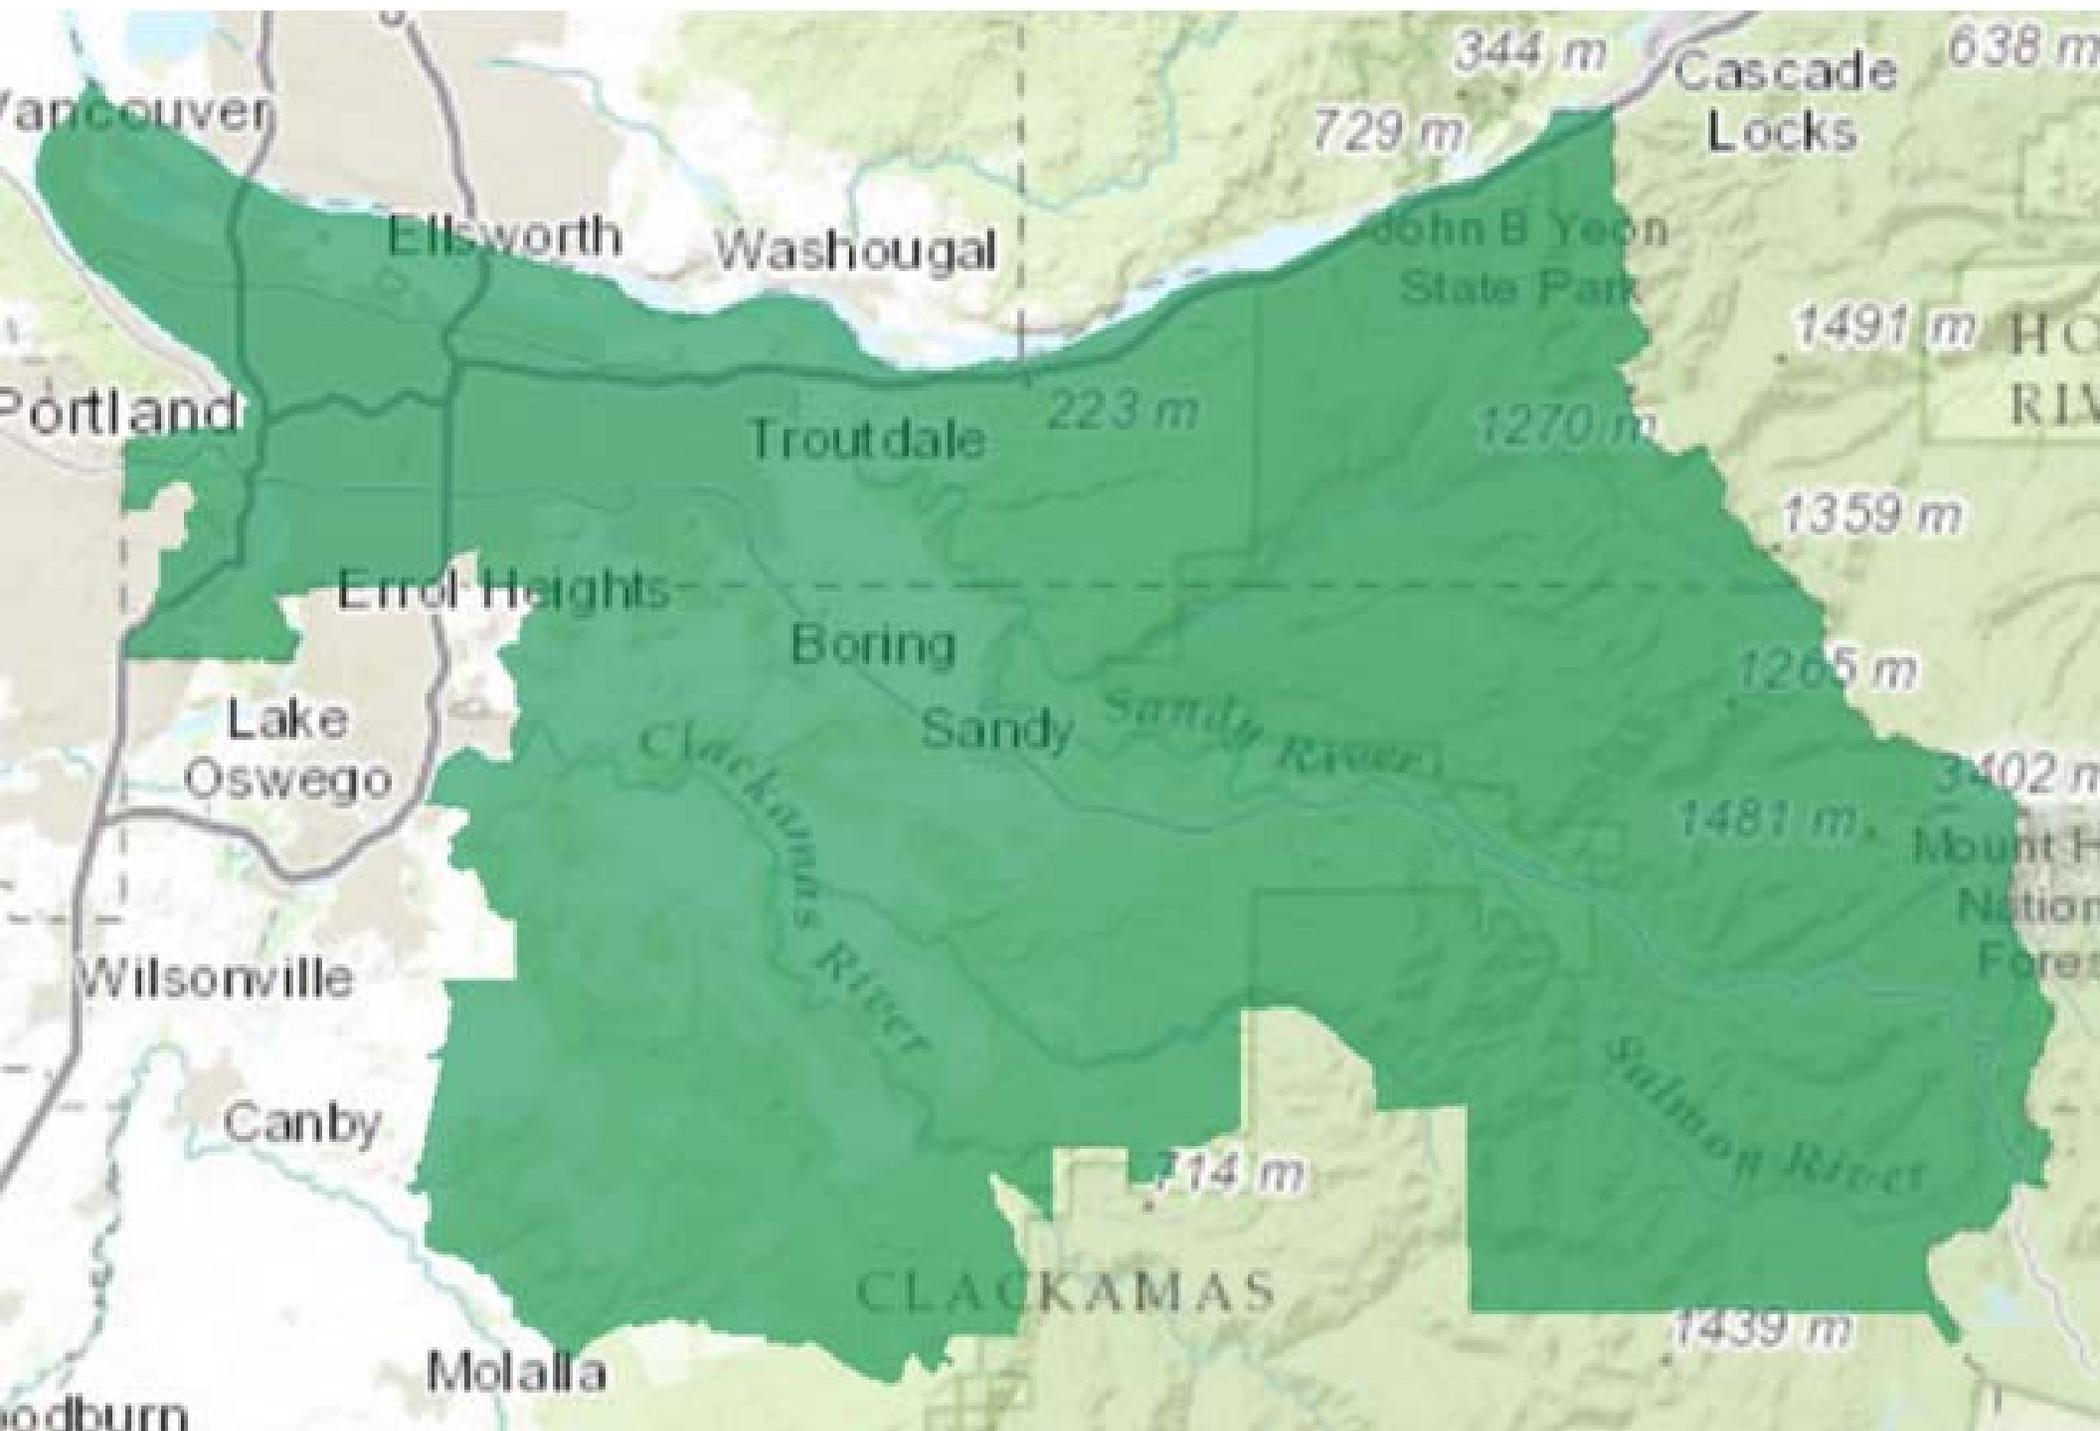

***** CERTIFYING the petition:
The CIRCULATOR must SIGN each petition at the bottom of the page (even if they signed as a voter on lines 1-10), indicate the DATE SIGNED, PRINT their signature name below their signature, and give their residence address.

Leave the SHEET NUMBER field BLANK, please.

***** RETURNING the petition:
Please CERTIFY pages and return them to me as quickly as possible. It will be very hard to pick up petitions, but because of the very short window to collect, call first. If there's time, mail to Tom Harrison for Congress; 15011 Forsythe Rd.; Oregon City, OR 97045. If received after August 13th, there will not be enough time for the S.O.S. to validate before the cutoff, and the ABSOLUTE cutoff for submission in person in Salem is Aug 28th at 5:00pm. And thank you. The money saved on the Voters' Guide submission will buy valuable radio time. Please call if you have difficulty: 503-657-0425. EMail Tom.Harrison.4.Oregon.CD3@GMail.Com.

"[A]ll men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed."

Restated: we have rights -- inherent, innate, inseparable -- and protecting them is government's function.

How would my goals as Representative for District 3 protect our inherent rights?

(SECURE OUR BORDERS) Our lives include our property, and we all may lock the doors to our homes and only allow those we choose to enter. Thus, government acting for us all under law has the duty to protect the borders of our country and remove those who invade unlawfully.

(STOP "SANCTUARY" PROTECTIONS) No level of government may act against border law, perverting the honorable idea of "sanctuary" to mean "protecting people against lawful consequence of their unlawful actions." Therefore, repeal Oregon and Multnomah County "sanctuary" laws and strengthen ICE.

(LOWER ALL TAXES) All taxes, wherever targeted, quickly affect everyone. People adjust to being taxed by reducing saving and spending. Adjustments ripple through the economy, until even the poorest are taxed by lost jobs and higher prices. *ALL TAXES TAX THE POOR.* Lower taxes benefit all, and protect liberty by limiting the size and inefficiency of government.

(DEFEND LIFE) Biology observes a cell from a human embryo, or an adult, and says: this is from a human being. The Declaration says that all human beings have the right to live.

(DEFEND FIREARM POSSESSION) The right to live is inseparable from the right to defend life with enough power to overcome any assault upon it. Hence, we have the right of defense by firearms sufficient to prevail against attack.
